The Indiana Department of Workforce Development is now mailing out 2009 "Merit Rate Notices" to all Indiana employers. You and AccuPay need to take the following 2 action steps in response to your 2009 Merit Rate Notice:

SHOULD YOU MAKE A "VOLUNTARY PAYMENT"?

If you are eligible, your Merit Rate Notice will provide you an opportunity to "buy down" your scheduled 2009 Indiana unemployment tax rate by 2/10% to the next lowest schedule rate for 2009. Our experience is that about 10% of the voluntary payment "offers" are a "good deal", and should be made.

AccuPay can help you determine if your "voluntary payment" is a good deal -- Simply call us at 885-7600 and we can help you decide!

WE NEED YOUR 2009 TAX RATE NOTICE

AccuPay needs a copy of your 2009 "Merit Rate Notice" so we can collect the correct amount of Indiana unemployment tax from your first payroll in January, 2009. You can fax a copy to us at 885-7591 or e-mail it to

"payroll@accupay.com".

If you have any questions about this matter, call us at **885-7600**. We appreciate you as a client, and hope that you are enjoying the Christmas season!

PayDay is an email communication of payroll news, legal updates and tax considerations intended to inform clients and colleagues of AccuPay about current payroll issues and planning techniques. You should consult with your CPA or tax advisor before implementing any ideas, comments or planning techniques.
