PayDay

Reasons to use AccuPay Payroll as your payroll vendor are:

√ **Credentialed experts --** We are the only Metro Indy payroll company to use Certified Payroll Professionals (CPP's) and CPA's to manage your payroll account.

√ **Great customer service --** Real people answer our phones and quickly resolve every payroll matter. Our 5 year client retention rate of over 99% is 20 points higher than the payroll industry average.

√ **Budget-friendly pricing --** AccuPay's charges are generally 20 - 40% less than national payroll companies. Our "pricing with integrity" policy also avoids "hidden charges" and "bait and switch" discounts which are common with national payroll companies.

√ **QuickBooks integration --** AccuPay is affiliated with QuickBooks Café, whose Certified ProAdvisors "map out" a payroll journal entry to your unique QuickBooks G/L chart-of-accounts.

√ **"No hassle" service --** We will work hard to make you a "fan" of our services!

Don't "settle" and "throw in the towel"! Expect the best from your payroll company.

AccuPay's "go the extra mile" attitude is why our 5 year client retention rate is over 99%! Call Tamara Clookey, CPP at 885-7600 to discuss your needs and our services in more depth!

PayDay is an email communication of payroll news, legal updates and tax considerations intended to inform clients and colleagues of AccuPay about current payroll issues and planning techniques. You should consult with your CPA or tax advisor before implementing any ideas, comments or planning techniques.
